MEMORANDUM OF DECISION

The mother of Kailin M. appeals from the judgment of the District Court (Bangor, *Gunther, J.*) terminating her parental rights to Kailin pursuant to 22 M.R.S. § 4055(1)(B)(2) (2010). The mother contends that the evidence was insufficient to support termination of her parental rights to the clear and convincing evidence standard. Contrary to the mother's contentions, review of the record demonstrates that the evidence is more than sufficient to support the court's findings that the mother is unable to protect the child from jeopardy and that this condition is unlikely to change within a time reasonably calculated to meet the child's needs; that the mother is unable to take responsibility for the child and that situation, likewise, is unlikely to change within a time reasonably calculated to meet the child's needs; and that termination of parental rights is in the child's best interest.
