v.

CYNTHIA R. ROSANDER

Submitted on Briefs January 6, 2011

Decided January 27, 2011

Panel: ALEXANDER, LEVY, MEAD, GORMAN, and JABAR, JJ.

MEMORANDUM OF DECISION

Cynthia R. Rosander appeals from the judgment of the District Court (Springvale, *O'Neil, J.*) finding her guilty of theft (Class E), 17-A M.R.S. § 353(1)(A) (2010) following a non-jury trial. On appeal, Rosander contends that there was insufficient evidence to support the finding of guilt, and that the court erred in declining to have produced and to watch a store video and in relying on the testimony of store employees indicating that Rosander had engaged in shoplifting vodka from a Hannaford store in Sanford. Recognizing that it is for the trial court to decide the weight and sufficiency of the evidence, the record reflects that there is more than sufficient evidence to support the trial court's finding of guilt beyond a reasonable doubt. *See State v. Milliken*, 2010 ME 1, ¶ 19, 985 A.2d 1152, 1158.
