MEMORANDUM OF DECISION

Eileen Small appeals from a summary judgment by the Superior Court (Oxford County, *Warren, J.*) in favor of her former employer, Western Maine Multi-Medical Specialists. Contrary to Small's contention, the employment engagement letter sent to her by Western Maine did not contractually bind Western Maine to employ Small for a term of two years. The language in the letter was not sufficient to evidence a clear intention to create an employment contract for a term of two years that could not be terminated at the will of the employer. *See Rancourt v. Waterville Osteopathic Hosp.*, 526 A.2d 1385, 1389 (Me. 1987).
