MEMORANDUM OF DECISION

Satellite Management Corporation (Satellite) appeals the judgment of the Superior Court (York County, *Fritzsche, J.*) granting summary judgment in favor of William Greer on Satellite's claims for breach of contract and unjust enrichment. Satellite contends that the uncontested facts preclude entry of judgment in Greer's favor and warrant entry of summary judgment in its favor.

The uncontroverted facts presented by the parties on cross-motions for summary judgment support the result reached by the trial court on several different theories, justifying affirmance. *See Melanson v. Matheson*, 1998 ME 117, ¶ 1, 711 A.2d 147, 147.
